

THE PEACH REVIEW

A note from your President, Vaughan!

Happy Holiday's Georgia Chapter!

I know we are all hustling and bustling this time of year. My wish to you all is that you find time to enjoy the season with your family and friends.

I am so excited for the 2024 year and the educations and events we have planned.

We will kick off the new year with a workshop on January 29th at Capital City Club with a social event on the 28th. We will then head to Savannah Yacht Club in February for our Winter Conference! Be on the lookout in our Peach Review for upcoming events, as well as emails from Allegra.

We are still looking for volunteers for our 2024 Committees. We have started completely fresh, therefore current members serving on committees and those wishing to serve for the first time need to apply. If interested in applying, please click [here](#) for the guidelines and email your application to gamanagingdirector@gmail.com

**Thank you all for your dedication to our chapter and this industry.
We can and we will. Watch us!**

Paying our respect

Chris Clark

"He continued to pursue excellence in career, becoming the Club Manager at the Atlanta Athletic Club for ten years.

Chris loved being a part of the club industry serving twice as the President of the Club Managers of America in both Alabama and Georgia. He was a mentor to many in the industry and continued to hold those relationships well past retirement."
